WORK

BY

SANA

ANZILA

A large, soft-focus pink flower, possibly a chrysanthemum, serves as the background for the entire page. The petals are numerous and layered, creating a textured, circular pattern. The color is a light, pastel pink.

ACKNOWLEDGEMENT

I have been working on this portfolio for long time and different hurdles has been cross by me to achieve this result.

I would like to thank “Dream Zone School of Creative Studies” for giving me an opportunity to work on portfolio. I take the opportunity to express my grattitude to the “Dream Zone School of Creative Studies” and to my teacher Purvi Chaudhry for her constant support and help. without her encouragement and guidance this portfolio would not have materialized.

A large, soft-focus pink flower, possibly a chrysanthemum, serves as the background for the entire page. The petals are layered and detailed, with a yellowish center. The overall tone is light and elegant.
